

The background of the slide features a silhouette of three people standing on a mountain peak at sunrise. They are raising their hands in a celebratory gesture, with their hands meeting at the top. The sun is low on the horizon, creating a bright glow and casting long shadows. The sky is a mix of blue and purple, and the mountains in the distance are silhouetted against the light.

2030 Agenda Partnership Accelerator

**PARTNERSHIP
ACCELERATOR**
2030 AGENDA
FOR SUSTAINABLE DEVELOPMENT

The 2030 Agenda Partnership Accelerator is a collaborative initiative by United Nations Department of Economic and Social Affairs (UN DESA) and The Partnering Initiative, in collaboration with United Nations Office for Partnerships, UN Global Compact, and the UN Development Coordination Office.

The initiative aims to significantly help accelerate effective partnerships in support of the Sustainable Development Goals.

Direct partnership training support and advisory services are offered to member States and UN Resident Coordinators wishing to foster stronger collaboration between stakeholders and sectors and enhance their capacities in forging new multi-stakeholder partnerships and partnership platforms.

SIDS Partnership Guidance

- Insights to these special considerations for developing multi-stakeholder partnerships in SIDS.
- Starting point for anyone seeking to understand the challenges and opportunities of partnering in SIDS.
- Illustrated by interesting examples of partnerships in practice, followed by actionable, and hopefully useful, guidance.

Intended to be useful for two audiences:

- For individuals and organizations based in SIDS: governments, private sector, civil society
- For representatives of the international development system collaborating with SIDS: international organizations, including parts of the UN system, bilateral donor agencies, some international foundations, large NGOs, and multinational corporations.
