

Talking Points for Mr. Carlos Fernandez Garcia, Team Leader at UNRCO
Capacity Building Workshop on Policy Formulation and SDG Acceleration
Policy Issue/ Theme: Improving Service Delivery through Effective Public Policy Making for STI
Organized by the National Planning Commission (NPC), UNDESA, UN Namibia, with GIZ
Namibia

Hybrid Format: 27 – 28 April, Otjiwarongo, Out of Africa Lodge

Closing Session

- To congratulate organizers and participants for the success of the training workshop, it is glad in this sense to hear the positive feedback of the previous speakers.
- As UNRCO, we are happy of fulfilling our role of maximizing the use of resources within the UN system, led by UNDESA and supported by UNECA, UNESCO and other UN Country Team members, to respond to the call of NPC for capacity building in STI, together in partnership with GIZ.
- To commend the continued commitment of the NPC towards strengthening the acceleration of the SDGs in the country, through the various Means of Implementation (MOI) and sectors.
- To thank GIZs for the continued collaboration as partners. Relevance of partnership and working together as DPs for the SDGs in Namibia
- To thank Ms. Ajambo and Ms. Hangula for conducting the workshop successfully.
- Look forward to additional joint delivery, in order for us to finish what we started.
- Finally, to thank the service providers: IT, venue, transport.
