## Deep-dive Stakeholders Workshop – Energy Compacts

19 August 2021 | 9:00 - 10:00 AM EDT (New York Time)

**7** AFFORDABLE AND  
CLEAN ENERGY

The event will explore opportunities for catalyzing action in the five thematic areas of the HLDE towards advancing SDG7 by 2030 and net-zero emissions by 2050.

The workshop will present ways to commit through the ambitious Energy Compacts and highlight some outstanding projects from stakeholders.
