

Tracking progress in Africa toward Sustainable Development Goals

Workshop on Accelerating the Implementation of the 2030 Agenda and AU Agenda 2063 in Africa: Building Resilient Institutions for the SDGs in the time of COVID-19 - APRM and UNDESA

Presented by Sibusiso Nkomo

28 October 2021, Cape Town

Afrobarometer helps measure progress towards 12 out of the 17 SDGs

Afrobarometer and the SDGs

- Our signature topics are democracy and governance, which are directly relevant to **SDG16**.
- We also produce data on:
 - poverty
 - health
 - education
 - energy supply
 - water and sanitation
 - infrastructure
 - gender and inequality

among many other topics relevant to the SDGs.

Afrobarometer and the SDGs

- Seven rounds of surveys completed in up to 38 countries between 1999 and 2018
- Round 8 surveys are just about wrapping up, and
- Planning for Round 9 is underway
- All results can be disaggregated by gender, age, ethnicity, urban-rural location, region/province and district, level of education etc.

Tracking progress toward the United Nations Sustainable Development Goals

Afrobarometer and SDGs

SDG	Target or indicator	Afrobarometer indicator
Goal 16: PEACE, JUSTICE, AND STRONG INSTITUTIONS – Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels	16.1 Significantly reduce all forms of violence and related death rates everywhere	Tolerance for political violence Tolerance for violence against spouses, children Fear and experience of violence in different social/political contexts
	16.2 End abuse, exploitation, trafficking and all forms of violence against and torture of children	Tolerance for corporal punishment
	16.3 Promote the rule of law at the national and international levels and ensure equal access to justice for all	Experience of crime Reporting of crime Ease of getting assistance from police, courts Trust in police, courts Corruption in police, courts Paying bribe to police, courts Quality of services in courts, disaggregated by gender, socio-economic status
	16.5 Substantially reduce corruption and bribery in all their forms	Perceptions of corruption in various institutions Payments of bribes for various services Perceived trend in corruption Government effectiveness in combatting corruption Trust in anti-corruption agencies

Afrobarometer and SDGs

SDG	Target or indicator	Afrobarometer indicator
Goal 1: NO POVERTY – End poverty in all its forms everywhere	Proportion below poverty line.	Lived Poverty Index
	Proportion of households living in households with access to basic services	Access to water, electricity, health, and education services
	Sound pro-poor policy frameworks	AB provides voice to ordinary Africans on many indicators that can contribute to pro-poor policies
Goal 2: ZERO HUNGER – End hunger, achieve food security and improved nutrition, and promote sustainable agriculture		Frequency of going without food in the household
Goal 3: GOOD HEALTH AND WELL-BEING – Ensure healthy lives and promote well-being for all ages	Achieve universal access to quality essential health-care services	Going without health care
		Ease of access to health care services
		Payment of bribes for health care services
		Quality of health care services
Goal 4: QUALITY EDUCATION – Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all	Ensure all have access to quality primary and secondary education	Level of education achieved
		Ease of access to education services
		Payment of bribes for education services
Eliminate gender disparities		Quality of education services
		All AB indicators can be disaggregated by gender
		Preference for educating boys vs. girls

Afrobarometer SDG Scorecards

Botswana

SDG 1: No poverty

Moderate or high "lived poverty"

SDG 2: Zero hunger

Went without enough food

SDG 3: Good health and well-being

Went without medical care

SDG 4: Quality education

Secondary/higher education, by gender

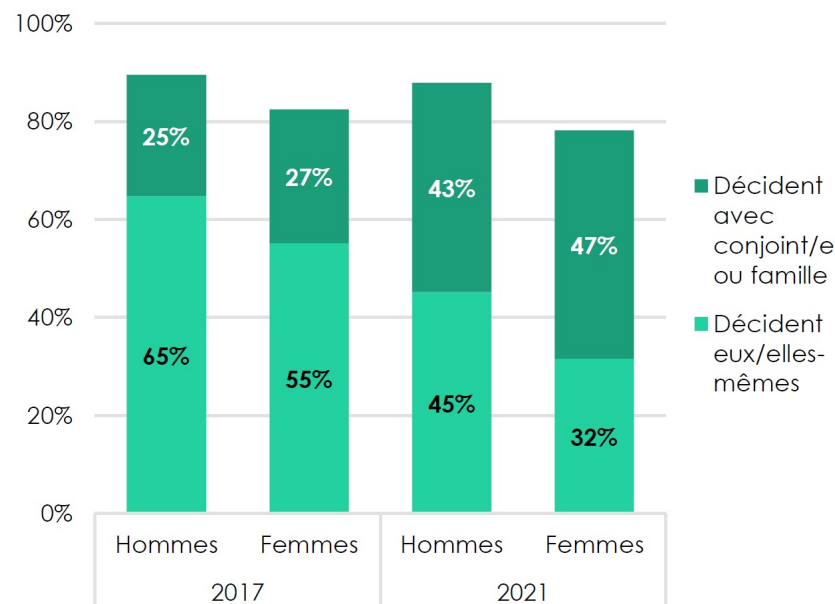

Togo

ODD 5: Egalité entre les sexes

Liaison numérique, par sexe

Prise de décision financière, par sexe

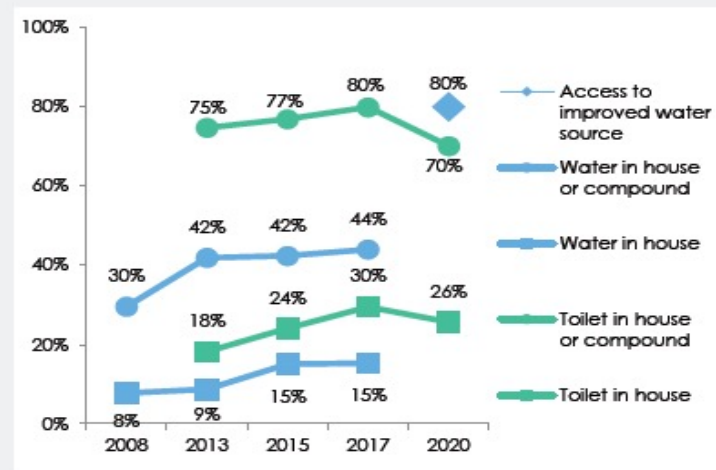

Nigeria

SDG 6: Clean water and sanitation

Went without enough clean water

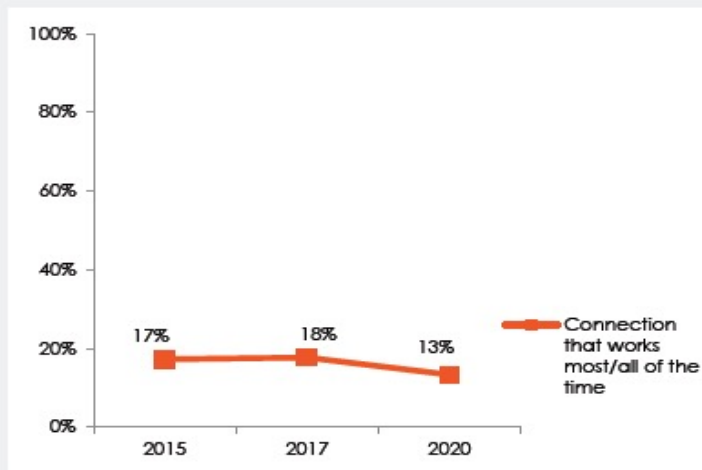

Location of water and toilet

SDG 7: Affordable and clean energy

Household connection to the grid

SDG 8: Decent work and economic growth

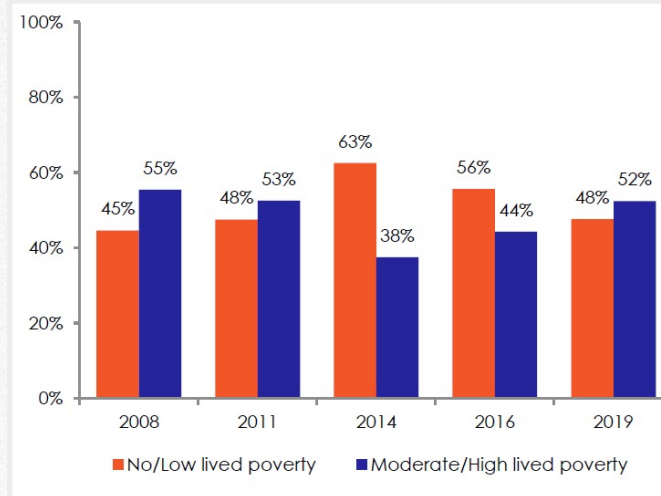

Unemployment, by gender

Kenya

SDG 10: Reduced inequalities

Economic inequality

Ethnic group treated unfairly by government

SDG 13: Climate action

Heard of climate change

Impact of climate change on life

ODD 16: Paix, justice et institutions efficaces

Confiance en les institutions publiques

SDG Scorecard: Maroc **EDIT COUNTRY NAME IN PAGES > MASTER PAGE B **

ODD 16: Paix, justice et institutions efficaces

Corruption perçue dans les institutions publiques

Progress or retreat?

Key to ratings on Page 1

Colored circles (“stoplights”) generally illustrate changes between the Afrobarometer Round 6 survey in 2014/2015 and Round 8 survey in 2019/2021. For climate action (SDG 13) and bribes for public services (SDG 16), comparisons are between Round 7 (2017) and Round 8 (2020).

- Performance worsened by >3 percentage points
- Change between -3 and +3 percentage points (not statistically significant)
- Performance improved by >3 percentage points
- Meeting this target
- ◐ ◑ Half-filled circles indicate that results are mixed when there is more than one indicator

SDG Scorecard

The people's take on country performance

On 12 of the 17 Sustainable Development Goals, Afrobarometer data provide citizens' perspectives that can be compared to official UN indicators tracking progress.

A continental overview

Afrobarometer SDG Scorecard (summary)

The people's take on performance in 25 African countries

Survey findings provide citizens' perspectives that can be compared to official UN indicators tracking progress on 12 of the 17 Sustainable Development Goals.

SDG 1: No poverty

Afrobarometer indicator: Reduce Lived Poverty Index (LPI) score

See detailed country scorecards at www.afrobarometer.org.

Survey respondents were asked:

Over the past year, how often, if ever, have you or anyone in your family gone without: Enough food to eat? Enough clean water for home use? Medicines or medical treatment? Enough fuel to cook your food? A cash income?

Key:

Colored circles ("stoplights") illustrate changes between Afrobarometer Round 6 surveys in 2014/2015 and Round 8 surveys in 2019/2021.

- Performance worsened by >3 percentage points
- Change between -3 and +3 percentage points (not statistically significant)
- Performance improved by >3 percentage points
- Meeting this target

SDG 3: Good health and well-being

Afrobarometer indicator: Reduce frequency of going without medical care

See detailed country scorecards at www.afrobarometer.org.

Survey respondents were asked:

Over the past year, how often, if ever, have you or anyone in your family gone without medicines or medical treatment? (% "never" vs. % "many times" or "always")

Key:

Colored circles ("stoplights") illustrate changes between Afrobarometer Round 6 surveys in 2014/2015 and Round 8 surveys in 2019/2021.

- Performance worsened by >3 percentage points
- Change between -3 and +3 percentage points (not statistically significant)
- Performance improved by >3 percentage points
- Meeting this target

Afrobarometer SDG Scorecard (summary)

The people's take on performance in 25 African countries

Survey findings provide citizens' perspectives that can be compared to official UN indicators tracking progress on 12 of the 17 Sustainable Development Goals.

SDG 4: Quality education

Afrobarometer indicator: Increase proportion with secondary/post-secondary education

See detailed country scorecards at www.afrobarometer.org.

Survey respondents were asked:

What is your highest level of education? (% who have at least some secondary school, by gender)

Key:

Colored circles ("stoplights") illustrate changes between Afrobarometer Round 6 surveys in 2014/2015 and Round 8 surveys in 2019/2021.

- Performance worsened by >3 percentage points
- Change between -3 and +3 percentage points (not statistically significant)
- Performance improved by >3 percentage points
- Meeting this target

Afrobarometer SDG Scorecard (summary)

The people's take on performance in 25 African countries

Survey findings provide citizens' perspectives that can be compared to official UN indicators tracking progress on 12 of the 17 Sustainable Development Goals.

SDG 16: Peace, justice, and strong institutions

Afrobarometer indicator 1: Increase trust in police, judiciary, and Parliament

See detailed country scorecards at www.afrobarometer.org.

Survey respondents were asked:

How much do you trust each of the following, or haven't you heard enough about them to say: The police? Courts of law? Parliament? (% who say they trust them "some-what" or "a lot")

Key:

Colored circles ("stoplights") illustrate changes between Afrobarometer Round 6 surveys in 2014/2015 and Round 8 surveys in 2019/2021.

- Performance worsened by >3 percentage points
- Change between -3 and +3 percentage points (not statistically significant)
- Performance improved by >3 percentage points
- Meeting this target

Afrobarometer SDG Scorecard (summary)

Survey findings provide citizens' perspectives that can be compared to official UN indicators tracking progress on 12 of the 17 Sustainable Development Goals.

SDG 16: Peace, justice, and strong institutions

Afrobarometer indicator 2: Reduce perceived corruption in police, judiciary, and Parliament

See detailed country scorecards at www.afrobarometer.org.

Survey respondents were asked:

How many of the following people do you think are involved in corruption, or haven't you heard enough about them to say: Police? Judges and magistrates? Members of Parliament? (% who say "most of them" or "all of them" are corrupt")

Key:

Colored circles ("stoplights") illustrate changes between Afrobarometer Round 6 surveys in 2014/2015 and Round 8 surveys in 2019/2021.

- Performance worsened by >3 percentage points
- Change between -3 and +3 percentage points (not statistically significant)
- Performance improved by >3 percentage points
- Meeting this target

	Decrease % experiencing high levels of poverty	●	○	○	○
SDG 10: Reduced inequalities	Decrease % treated unfairly due to ethnicity	○	○	●	○
	Increase % who have heard of climate change	○	○	●	○
SDG 13: Climate action	Increase understanding of negative impacts of climate change	○	○	●	○
	Increase trust in police, judiciary, and Parliament	●	●	○	○
SDG 16: Peace, justice and strong institutions	Reduce perceived corruption in police, judiciary, and Parliament	○	●	●	○
	Reduce bribe-paying for public services	○	●	○	○

SDG 6: Clean water and sanitation

Went without enough clean water

Conclusion

- The SDGs are intended to improve the lives of real people.
- Numerous indicators and scorecards are being used to track progress.
- Afrobarometer SDG Scorecards are unique in highlighting the perspectives of ordinary people – the intended beneficiaries of Agenda 2063
- We hope that these assessments would stimulate debate, help to identify gaps, and support action to move forward in each country.
