

PARTNERSHIPS TO IMPLEMENT THE 2030 AGENDA AND NDS1

Workshop on the rollout of the Zimbabwe National Development Strategy 1 (NDS1) – Integrating the 2030 Agenda

> November 2021 Victoria Falls

SUSTAINABLE GALS DEVELOPMENT GALS

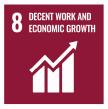

PARTNERHIPS FOR AGENDA 2030

- More urgent and comprehensive approach is needed to achieve the ambition of the transformational agenda.
- No one actor has all the resources to achieve the 2030 Agenda.
- Agenda 2030 identifies all societal actors as key development actors. Cooperation and collaboration needed among civil society, business, government, NGOs, foundations, etc.
- Renewed emphasis on multi-stakeholder, multi-sector transformative partnerships at scale.
- Shift from transactional to strategic relationships.
- Shift from narrow focus on single issue goals to collaboration across silos and involving multiple stakeholders.

PARTNERHIPS FOR AGENDA 2030

More urgent and comprehensive approach is needed to achieve the ambition of the transformational agenda

No one actor has all the resources to achieve the 2030 Agenda

Agenda 2030 identifies all societal actors as key development actors. Cooperation and collaboration needed among civil society, business, government, NGOs, foundations, etc.

Renewed emphasis on multi-stakeholder, multisector transformative partnerships at scale

Shift from transactional to strategic relationships

Shift from narrow focus on single issue goals to collaboration across silos and involving multiple stakeholders

DEFINITION OF PARTNERSHIP

UN General Assembly 56/76 "Towards global partnerships"

"A partnership is a <u>voluntary and</u> <u>collaborative</u> relationship between various parties, <u>both public and non-public</u>, in which all participants agree to work together to achieve a <u>common purpose</u> or undertake a specific task and, as <u>mutually agreed</u>, to <u>share risks and responsibilities</u>, <u>resources and benefits</u>.

ZIMBABWE UNITED NATIONS SUSTAINABLE DEVELOPMENT COOPERATION FRAMEWORK 2022 - 2026

- Partnership framework between UN and Government that articulates UN's collective response to help countries address national priorities and gaps to achieving the SDGs
- Drives transformative change through embodying the spirit of partnerships
- Encapsulates tangible actions to leave no one behind and reach the furthest behind first
- Vehicle to support economic transformation and peaceful societies

elevates the
Cooperation Framework
as "the most important
instrument for planning
and implementation of
the UN development
activities at country
level in support of the
implementation of the
2030 Agenda for
Sustainable
Development"

The Cooperation Framework Process

THEORY OF CHANGE
