GLOBAL ONLINE CONSULTATION

SDGs under review at the 2022 High-level Political Forum on Sustainable Development

This online consultation will compile inputs from stakeholders, from different sectors and regions, on the SDGs under review during the 2022 High-level Political Forum (HLPF) and interlinkages with other SDGs.

The online consultation will also serve to improve stakeholders' access to information and promote broad and participatory engagement on the follow up and review of the 2030 Agenda implementation.

It will complement and feed into other on-going processes for the SDG-specific reviews, including Expert Group Meetings (EGMs) being organized by DESA and sectorial papers prepared by Major Groups and other stakeholders (MGoS). Although EGMs will also allow for direct participation by MGoS representatives, the online consultation will facilitate for broader engagement of stakeholders and expert input.

The online consultation will be open to all interested stakeholders, including MGoS, and through dedicated online forms (see below). Responses will be made publicly available on the [HLPF website](#).

Deadline for submission: **11 March 2022**.
