

# ZVISHAVANE TOWN COUNCIL

## EVIDENCE OF SDGS IPLEMENTATION

### OVERVIEW

- Zvishavane Town Council has made inroads in the implementation of SDGs by aligning our programs, strategic plan, budget and policies to the NDS1 through our budgetary system
- Priority areas are identified through consultative processes so that it becomes all inclusive.

### **Actions/ Programs done on implementation of SDGs**

- Construction of workspaces for the informal sector. For the past five years Council has been focusing on the construction of markets and to date 4 Markets accommodating 1050 traders have been constructed. Two of the markets have been constructed using internal funds, the other one using PPP arrangement with the beneficiaries (BOT) and the other one with FC Platinum CSR activities.**(SDG 1,8 and 9)**
- Council is running three schools two secondary and one primary. The other secondary school was recently constructed using internal sources of financing and this year we have budgeted for the construction of another primary school.**(SDG 4)**
- Council now has a Gender Policy in place which seeks to mainstream gender issues into operations of Council. Council also has a gender committee which looks into marginalised groups like women, children, people with disabilities and also the youth. Women and youth are also consulted separately during budget consultations.**(SDG 5)**
- We have also planned for the construction of a clinic this year.**(SDG 3)**

- Council is embarking on the urban renewal project for Mandava residential area. So far we have constructed a block of garden flats with six units consisting of four rooms and also individual toilets. **(SDG 9 and 11)**
- Upgrading of water treatment plant pumping capacity and internal reticulation system using internal sources of funding. Drilling of boreholes and resuscitation of non- functional boreholes. **(SDG 6)**
- Resuscitation of Mabhula Sewer Treatment Plant through devolution funds **(SDG 6)**
- Identification of Mtonjeni industrial area as a Special Economic Zone for Ferrochrome processing. **(SDG 9)**
- Distribution of food hampers to vulnerable families through Mayor's Cheer fund. **(SDG 2)**
