PHILIPPINE DISASTER RESILIENCE FOUNDATION

Elevating MSME Resilience for Building Back Better to Achieve the 2030 Agenda for Sustainable Development

26 May 2022

The Philippines’ major private sector vehicle and coordinator for disaster risk reduction and management
ABOUT PDRF

An alliance of businesses dedicated to building the disaster management capabilities of the private sector in the country.
In collaboration with national government agencies, PDRF works toward awareness raising and the implementation of DRRM-related programs and policies specifically for micro, small, and medium enterprises (MSMEs) across the country. PDRF provides capacity building programs and technical assistance on business continuity management and supply chain resilience for member companies. In partnership with the Office of Civil Defense and the Department of Interior and Local Government, PDRF provides technical assistance in establishing public service continuity programs for national government agencies and local government units.
