

Integration of Planetary Health into Education Systems to Build Back Better from COVID-19

HLPF SDGs Learning, Training and
Practice Sessions

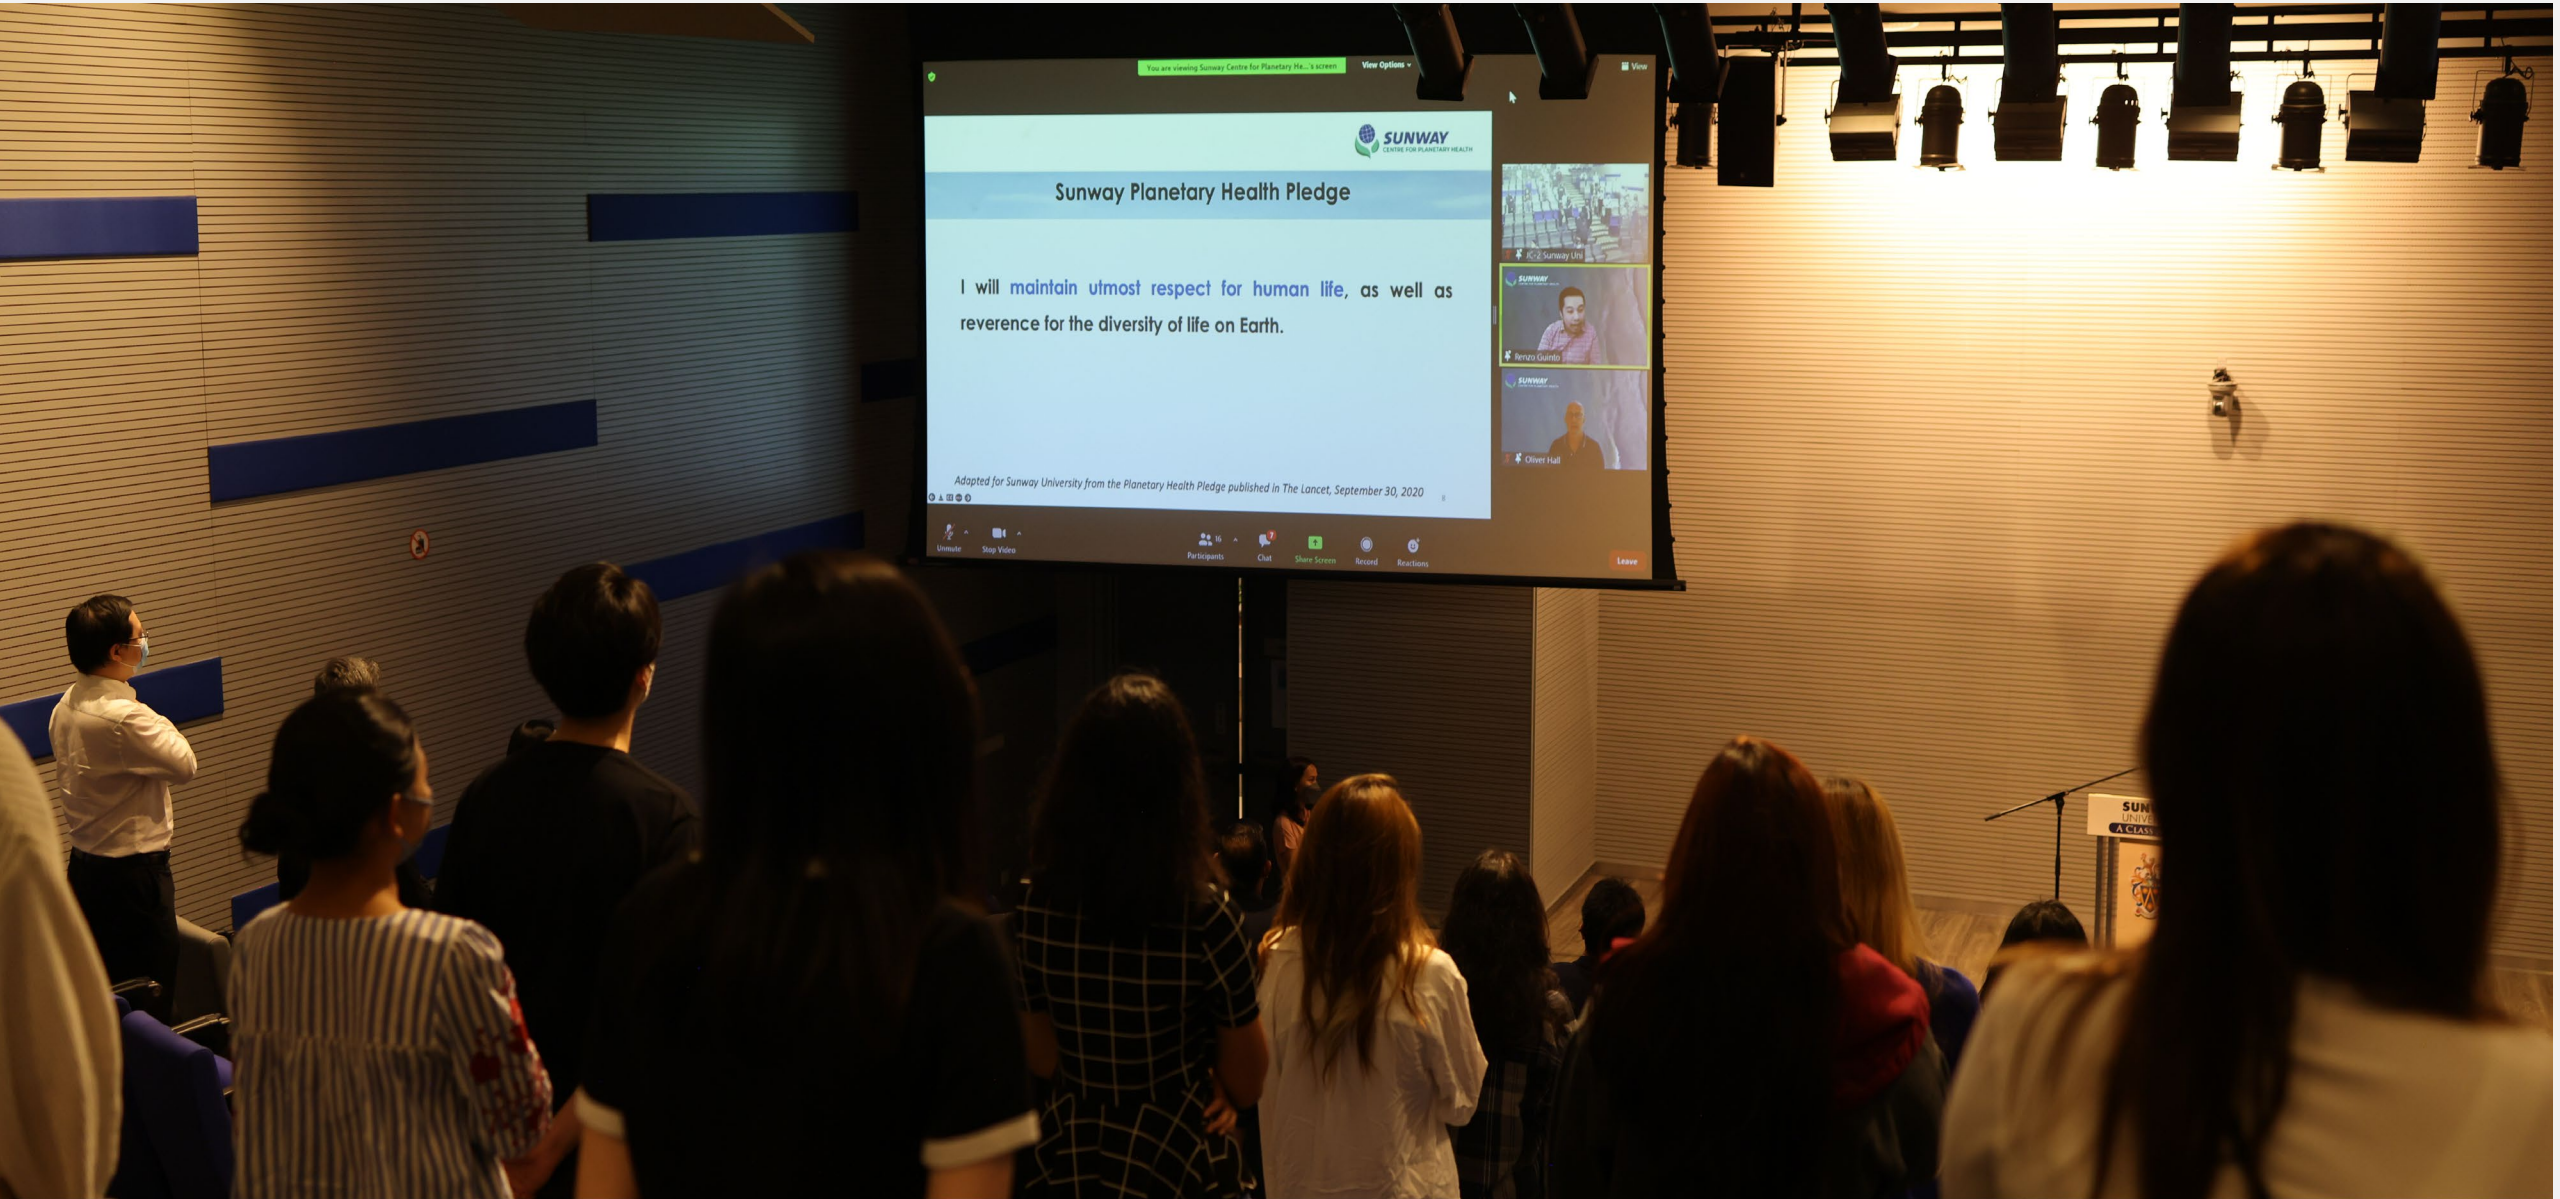

Prof. Dr. Jemilah Mahmood
12 July 2022

Sunway Group has a long-standing commitment to the Sustainable Development Goals.

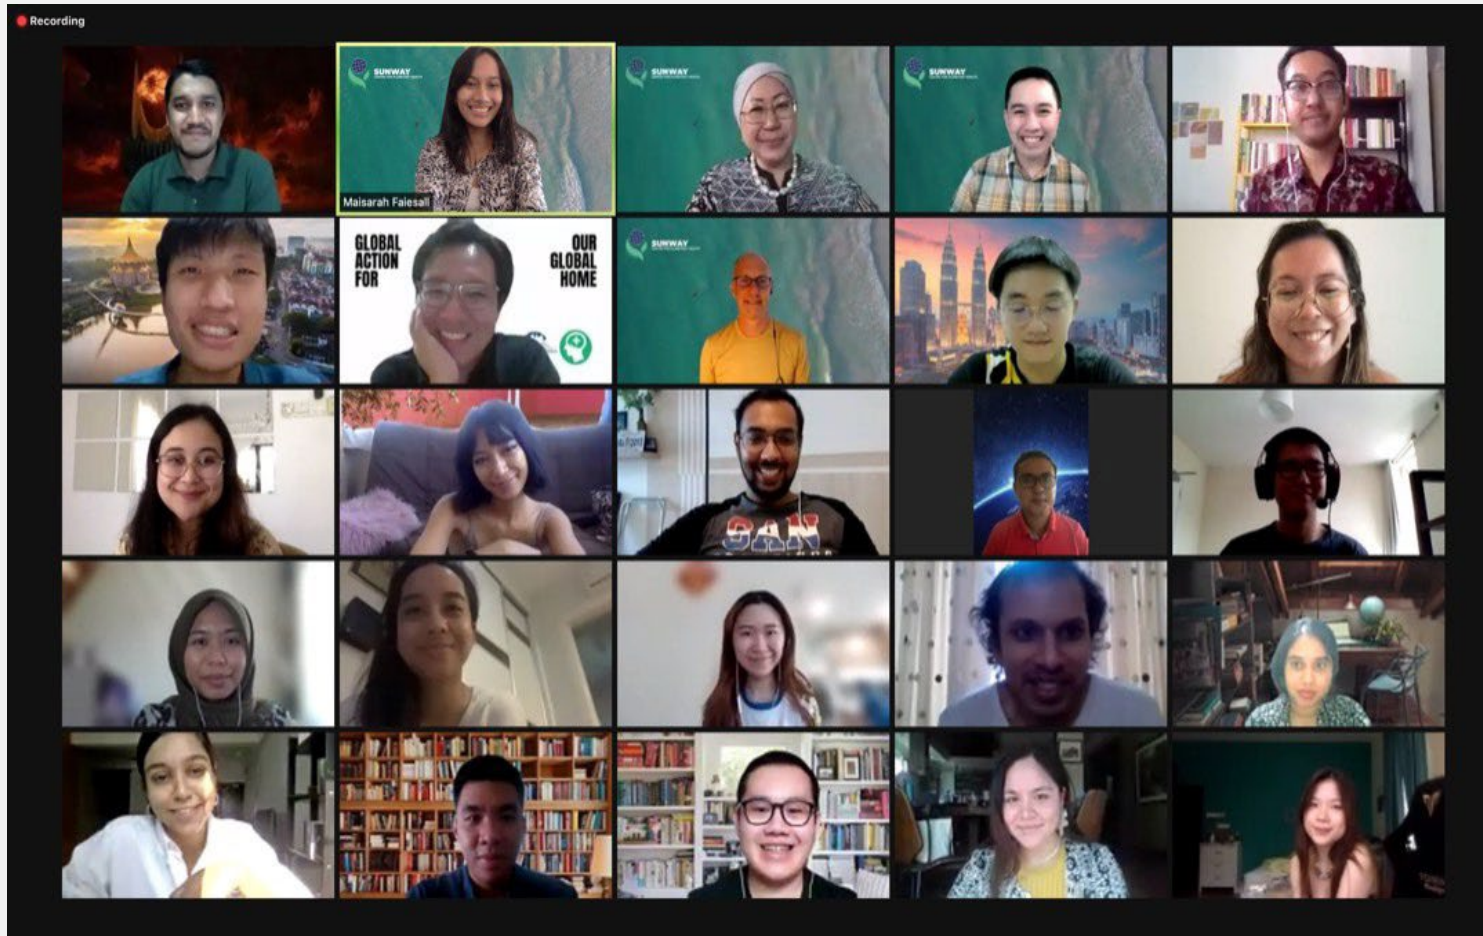

Sunway University ranked first as Malaysia's top private educational institution committed to the SDGs, and is home of the Jeff Sachs Centre.

By 2024, every student will graduate with the knowledge about planetary health.

Youth at the centre – leadership development and aspirations for open-source courses.

Policy briefs submitted by students for an ongoing public policy pitching competition, myImpact.
