

HLPF 2022 Side Event

UN-Interagency Task Team

Perspectives on Capacity-Building

in Science, Technology and Innovation for Achieving the SDGs

6th July 2022 7:30am-9:00am EDT (1:30pm -3:00pm CEST)
online

The side event will discuss major policy-making challenges in Science, Technology and Innovation (STI) policy for the SDGs and will illustrate the importance of partnerships and collaborations to strengthen capacities and overcome such challenges. The event will also update participants on recent and forthcoming work of the

UN-Interagency Task Team (UN IATT)

Work Stream 6: Capacity building on STI for the SDGs

including technical materials developed to support formulation of SDG aligned STI policies.
