

# **Tomonori HIROIKE**

**Tokyo Metropolitan Government (TMG)**

**Office of the Governor for Policy Planning, October 2022**

# Overview of Tokyo's VLR

- Named “Tokyo Sustainability Action”

- Aligned with Tokyo's Comprehensive Plan (“Future Tokyo: Tokyo’s Long-Term Strategy”)
- Clarify the link between policies and the SDGs
- Target indicators are set in each field

# “Future Tokyo: Tokyo’s Long-Term Strategy” (March 2021)

## < Stance on Strategy Deployment >

Realize “Sustainable Recovery”

Promote “Structural Reform” strongly by addressing roots of issues

## < Four Basic Strategies >

1. View future in the perspective of “Back Cast”
2. Promote policies by collaborating with various entities such as private companies
3. Realize the Smart Tokyo by Digital Transformation
4. Respond the change of times/circumstances flexibly ; “Agile”

■ “Vision” Aiming to see Tokyo in the 2040s

■ “Strategy” for 2030    ■ “Driver Projects” to implement strategy

- |   |   |
|---|---|
| 0 Strategy to overcome infections                       | 11 Strategy for “Start-up City Tokyo”                                       |
| 1 Strategy for children’s smile                         | 12 Strategy for a Tokyo That Has Earning Potential and Generates Innovation |
| 2 Strategy to support children’s “Development/Growth”   | 13 Strategy for Tokyo with abundant water/green                             |
| 3 Strategy for Promoting Women’s Empowerment            | 14 Strategy for “Zero Emission Tokyo”                                       |
| 4 Strategy for a long-lived society                     | 15 Strategy for Culture and Entertainment City                              |
| 5 Strategy for a working style for everyone to flourish | 16 Strategy for Sports Field Tokyo  |
| 6 Strategy for Diverse City and Inclusive Society       | 17 Strategy for Tama/islands promotion                                      |
| 7 Strategy for Valuing home and community               | 18 Strategy for All-Japan Collaboration                                     |
| 8 Strategy for safe and secure city development         | 19 Strategy for Olympic and Paralympic Legacies                             |
| 9 Strategy to enhance city’s function further           | 20 Strategy for structural reform of the TMG                                |
| 10 Strategy for “Smart Tokyo: TOKYO Data Highway”       |   |

“Action plan for 3 years” (FY2021-FY2023)

Tokyo in the future where “Growth” and “Maturity” are compatible

Safe City

Diverse City

Smart City

## Strategy 10

# Smart Tokyo: TOKYO Data Highway

## Vision for the 2040s

- Full use of digital technology for a sustainable and smart city
- Online completion of administrative procedures

## Policy goals for 2030

- Almost 100% completion of 5G areas in Tokyo
- All administrative applications can be completed online etc.

## Strategy 3

# Promoting Women's Empowerment

## Vision for the 2040s

- Women can choose how they wish to live.
- Half of all politicians and company presidents are women
- The gender gap in employment rate and wages has been eliminated

## Policy goals for 2030

- Raise the rate of employment for women 57.0%(2019) → 65%(2030)
- Raise the percentage of women for TMG deliberation panels 32.9%(2020) → Minimum 40% of each gender (FY2022) etc.

# Strategy 12

## Zero Emission Tokyo

## Vision for the 2040s

---

- Net zero carbon emissions in Tokyo by 2050
- Realization of sustainable use of resources

## Policy goals for 2030

---

- Reduction of greenhouse gases (compared to 2000)  
2.8% increase (FY2018 preliminary figure) → 50% reduction (2030)
- Usage of electricity produced by renewable energy  
15.3% (FY2018) → about 50% (2030)

# Way of review & future update

➤ “Policy dashboard” visualizes achievement for targets

➤ Verify indicators in the PDCA cycle

➤ Upgrade the “Tokyo’s Long-Term Strategy” every FY

# Tokyo's initiatives for SDGs

- Strongly promoting policies from the perspective of SDGs

戦略	推進プロジェクト	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	
1	1. 出産・子育てで金力応援プロジェクト	○		○															
	2. 子育てに金力を取り組む区市町村徹底支援プロジェクト	○		○	○				○									○	
	3. チーム2.07プロジェクト	○		○	○				○										○
	4. 「子供と自然に触れ合い、子育ての大切さを学ぶ」教育の展開					○													○
