Subject: Inputs on UN Preparatory Meeting held on October 25, 2022

Dear Sir/Madam,

On October 25th, 2022, we attended the preparatory meeting of the UN Water Conference 2023 as a representative of the Uplift You Inc. We were very delighted to witness and learn from representatives of 192 countries. It was warm to be able to receive welcome speech from Secretary of the Conference and Under Secretary of Economic and Social Affairs of the UN as well as co-hosts. As a result of this meeting, we from Uplift You would like to join the force and focus on SDG Goal # 6 with 4 main targets that we plan to achieve by 2028. We have submitted voluntary commitment to be able to focus on Clean Water and Sanitation to ensure availability and sustainable management of water and sanitation for all.

Sincerely,

Mohammed A Haque
