--

Pursuant to General Assembly decision A/RES/73/226 of 20 December 2018, the Midterm Comprehensive Review of the Implementation of the Objectives of the International Decade for Action (UN 2023 Water Conference) will be held from **22 to 24 March 2023 at the UN Headquarters in New York**. The co-hosts are the governments of the Kingdom of the Netherlands and the Republic of Tajikistan.

Side events can be organized in connection with the UN 2023 Water Conference, either in-person at the UNHQ, in-person outside the UNHQ or virtually.

When conducting the selection of side events, the Conference Secretariat will be guided by the following principles:

- Side events can be organized by UN Member States, UN entities, relevant Intergovernmental Organizations and stakeholder organizations that are accredited to the Conference. All interested parties are strongly encouraged to partner with others to organize a side event.
- Priority will be given to events organized by Member States, preferably in partnership with other stakeholders, with an aim of having countries and non-state actors from all regions represented as organizers.
- Side events can be hosted either in-person or virtually.
- In-person side events can be organized either inside the UN Headquarters in New

York, or at outside locations in New York City. Please note that participation at side events held inside the UN Headquarters is restricted to registered and approved participants of the UN 2023 Water Conference.

- For side events outside UNHQ/virtually, side event organizers are responsible for choosing the event location/platform and must bear ALL costs incurred.
- Applications should be limited to ONE submission per entity. (for in-person side events at UNHQ)
- Before submitting this form, organizations are encouraged to read **the Guidelines** here: <https://bit.ly/Water2023SideEvents>.

Only side events that have been approved through this application process will be featured in the official side event programme on the Conference website. The deadline for applications is **13 January 2023**. The Conference Secretariat will review submissions and notify the organizers whose side events have been approved on a rolling basis. All submissions will be reviewed by **6 February 2023**. Only organizers whose events have been approved will be contacted by the Secretariat.

For further information regarding side events, please contact [water2023@un.org](mailto:water2023@un.org) with [Side Events] in the subject.
