2023 WATER
CONFERENCE

NEW YORK
22-24
MARCH
2023

UN 2023 Water Conference Side Event

Project Greenland

March 22nd, 2023, 11:00-12:00, Virtual

Organized by: [Thomas Schumann Capital](#)

Project Greenland provides 140 trillion liters super premium freshwater supply for 20 years for corporates and governments to insure reliable, long-term freshwater supply in drought-stricken regions in alignment with SDG 6

Water Action Agenda: Accelerating SDG 6 in public & private markets

Thomas Schumann Capital (TSC) provides freshwater supply insurance and investible solutions for SDG 6. TSC manages TSC Water Security Indices, Thomas Schumann Water Security Fund, Project Greenland and Project Alaska offering 150 trillion liters super premium freshwater supply for corporates and governments in drought-stricken regions to insure and augment their existing freshwater supply.
