

- **Innovative Driven Enterprise**
- **Specializes in Electronic Engineering, Innovations & Specialized Military Technology**
- **Est. 2016,Botswana; branches in South Africa & Rwanda**
- **Vision: bring light to the marginalized communities**

Problem? ●

600 million people,

70%

of the population of
sub-Saharan Africa are
without electricity.

● Lack of access to and affordable electricity negatively impacts student performance

● Prolonged use of Candles, Kerosene and Fossil Fuels pose health & environmental danger to both the users and environment.

Burning candle emits 5.28 mg/s of CO₂

- Energy storing solar pack back
- In-built solar panel, LED light, and USB charging port
- Up to 7 hours Lighting usage
- Waterproof canvas material
- 5years investment
- students can study after dark, charge their devices, and reduce their carbon footprint form a 1 time purchase

Chedza's Versatility

Multiple uses of the Chedza Solar Backpack

Value Proposition

4 QUALITY
EDUCATION

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

Goal 7:

Ensure access to affordable, reliable, sustainable and modern energy for all.

13 CLIMATE
ACTION

Take urgent action to combat climate change and its impacts

Call To Action

● Calling on Global Change makers and Impact-Driven Organizations

Are you ready to make a tangible difference in Africa's educational landscape, energy access, and environmental sustainability? The Chedza Solar Backpack Initiative invites esteemed organizations, including the **UN, UNICEF, IGEN Green Contributor, Halcyon, Governments, NGOs, Foundations, Corporate CSR programs**, and more, to collaborate with us in our mission to create a brighter future for African students.

● Why Partner with Us? By joining hands with the Chedza Solar Backpack Initiative, you become a catalyst for change across Africa:

1.SDG 4 (Quality Education) 2. SDG 7 (Affordable and Clean Energy) 3. SDG 13 (Climate Action)

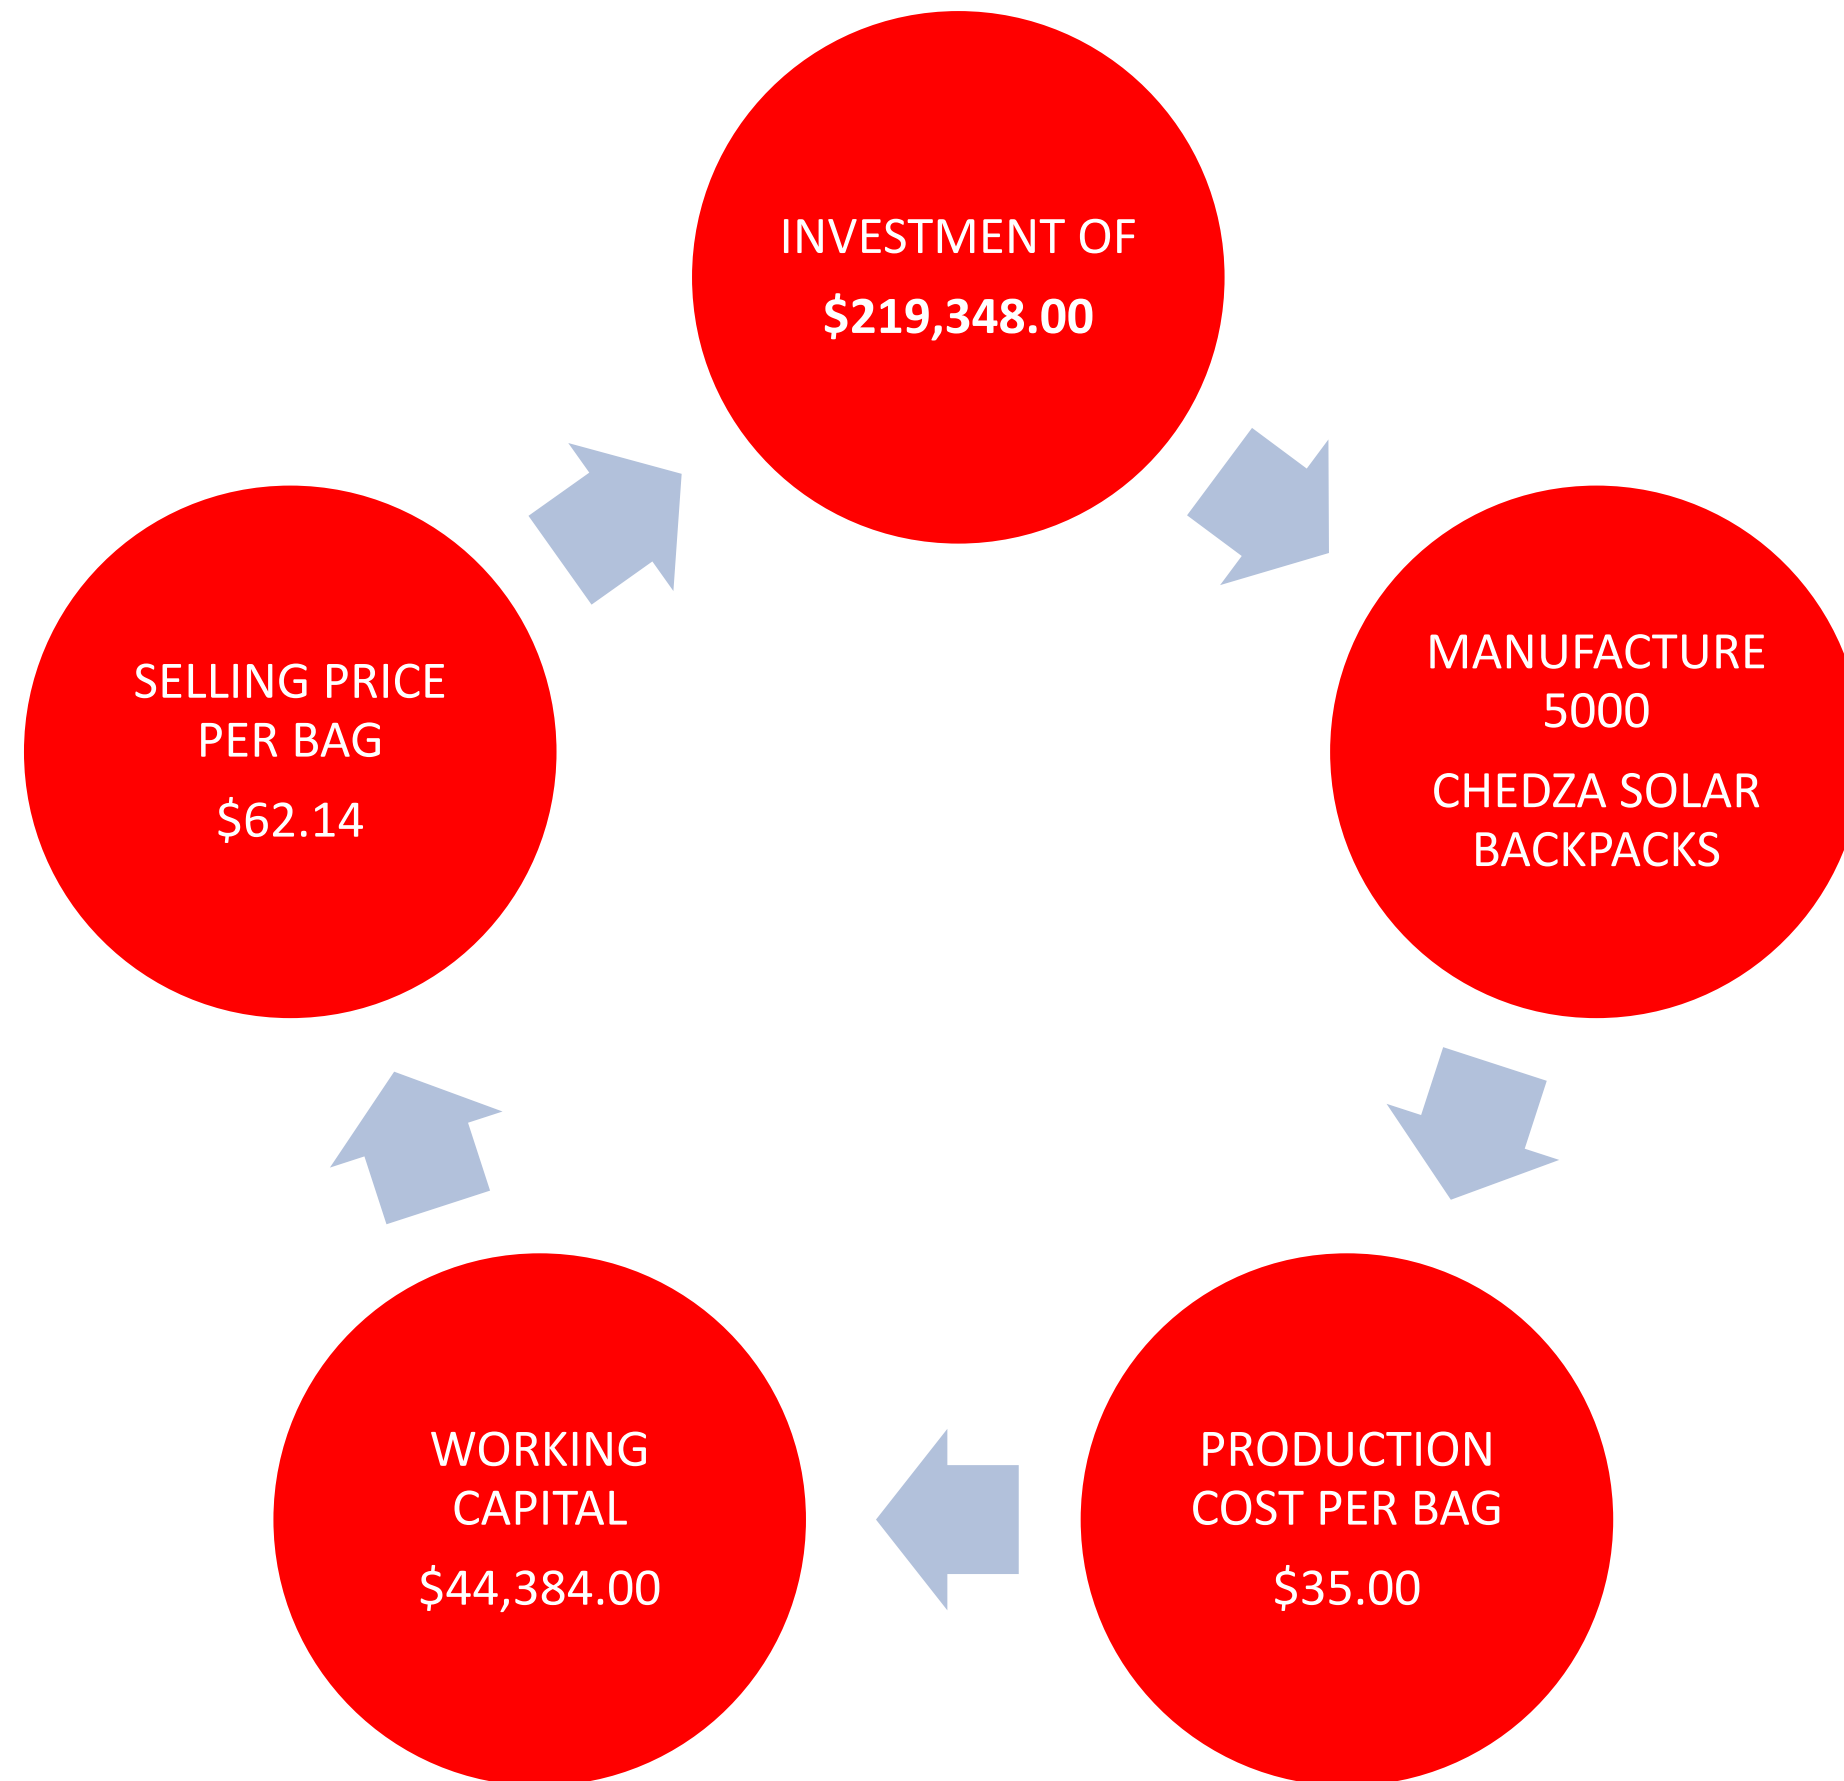

Global Visibility: Co-brand your logo on the Chedza Solar Backpack and gain visibility as a leader in sustainable education and clean energy initiatives.

1.Environmental Stewardship: Join the fight against climate change by supporting an eco-friendly solution that reduces carbon emissions.

● How You Can Partner:

- Manufacture and Co-brand:** Collaborate with us to manufacture Chedza Solar Backpacks co-branded with your logo, showcasing your commitment to social impact and climate champions.
- Advocacy and Awareness:** Use your influence to raise awareness about the importance of quality education, clean energy, and environmental conservation.
