Workshop: Building Capacity and Exploring Resources for implementing STI4SDGs Roadmaps

Oct. 8-9, 2024

Co-organized by DESA and ECA

supported by Future Africa, EC/JRC, International Science Council (ISC), Africa-Europe Science Collaboration and Innovation Platform (AERAP), and the International Research Center of Big Data for Sustainable Development Goals (CBAS)

ECA Conference Room, Addis Ababa, Ethiopia

Draft agenda

Tuesday Oct. 8th, 2024

Welcome and Opening (DESA and ECA)

High-level Segment: STI Policy and investment for six transitions for the SDGs – linking to UN FfD Conference, the Summit for the Future, and G20

Thematic Session 1: Overview and mapping exercise to understand the landscape of skills, capacities and activities related to STI Roadmaps

Thematic Session 2: Deep dive of challenge led STI4SDG Roadmaps

Side meeting with the target countries of the UN Development Account Project on Science, Technology and Innovation (STI) for Integrated Climate Action for Small Island Developing States (SIDS).
Wednesday Oct. 9th, 2024:

Thematic Session 3: The evolution of science systems as a prerequisite for the six sustainability transitions

Thematic Session 4: Voluntary funding models on STI for the SDGs, STI Policy Instruments and Capacity Building in support of national implementation of the STI Roadmaps

Thematic Session 5: Engagement of UN Sustainable Development Group (UN Development Coordination Office, UN Country Teams)

Closing and the way forward.

(DESA and ECA)
