## Africa Knowledge Management Hub

Launch and operationalization of the Africa Knowledge Management Hub (AKMH) and Expertise Repository during the 2023 Africa RCP Retreat in Nairobi, September 2023.

# Key messages and priorities of the UN regional development system in 2024

Increased focus on **four priority areas** to achieve high-impact across all transitions around (i) Jobs and Social Protection, (ii) Energy Access and Affordability, (iii) Digital connectivity, and (iv) Education.

**Human dignity and human agency, solidarity, and a new generation of leadership** should be at the center of the Summit of the future and the work of the development system. Investing in solidarity and preserving human dignity is essential for sustainable development.

Strengthening **strategic partnership and coordination** between the UN development system and the African Union on the AU theme of the Year “Education”.

Amplifying **Africa’s voice** in the Summit of the Future.
