UNOC3 Blue Zone side events programme

MONDAY 9 JUNE, 10:30-11:45

Event ID	Room	Organizers	Title of side event	One line description	Public contact email
ID 1	Room 1	Ministry of Natural Resources of the People's Republic of China (MNR), NMDIS, NMEFC, China Deep Ocean Affairs Administration, MOi, GOOS, IOI, BMKG, UMT, AASTMT, HKUST, UOE, IOCAFRICA, National Institute of Oceanography and Fisheries of Egypt, University of Tokyo	Approaching an intelligent and inspiring ocean: new science-based actions for sustainable futures	It aims to enhance capabilities in marine data intelligent fusion, ocean early warning and service, and deep-sea digital simulation, through innovation and application of ocean big data, AI and etc.	julia_yu_nmdis@163.com , fangfww15@sina.cn
ID 2	Room 2	Government of Antigua and Barbuda Department of the Blue Economy, National Ocean Technology Center (NOTC), Ministry of Natural Resources, People's Republic of China, China Oceanic Development foundation (CODF)	Blueprints for the Future: Marine Spatial Planning, Ocean Data-Driven decision-making & Global Cooperation	Blueprints for the Future: Marine Spatial Planning, Ocean Data-Driven decision-making & Global Cooperation.	Dean.Jonas@ab.gov.ag
ID 3	Room 3	Permanent Mission of Belize, Tonga, Seychelles, Tuvalu, Dominica, St. Lucia Ministry EDU, SD, IS&T &VT, Austria SIDS DOCK Secretariat, SIDS DOCK Foundation, IWON, UNIDO, PCREEE (SPC), CCREEE	Critical Services SIDS and Coastal Developing Countries Need from the Ocean to Achieve SDG14 and Strengthen Economic and Physical Resilience to Climate Change	As a follow-up to the ABAS, the side event will discuss how renewable energy and circular economy solutions can support the green-blue economy and climate resilience aspirations of SIDS.	secretariat@sidsdock.org
ID 4	Room 4	Government of Spain Minist. Agric., Fishery and Food Spain, Sp Institute of Oceanography, Univ.San Francisco Quito, Public Inst. for Aquaculture and Fisheries Research, Iberoamer.Research Network for the Sust. Use of Fishery Resources, National Federation Fishermen Guilds Spain	MARINE RESERVES OF FISHING INTEREST: A KEY TOOL FOR SUSTAINABLE DEVELOPMENT OF COASTAL COMMUNITIES	Marine reserves of fishing interest benefit local populations ensuring food security and protected commercial networks. They are marine laboratories, essential for science-based fisheries management.	bzn-sgajuridicosgpi@mapa.es
ID 5	Room 5	Mercator Ocean International, Government of France, Greece, Italy, Malta, Norway, Portugal, Spain	A new intergovernmental organization for digital Ocean systems and information services	Copernicus Participating States, the European Commission and UN partners will celebrate the opening for signature of the Convention of Mercator International Centre for the Ocean.	igo.secretariat@mercator-ocean.eu

UNOC3 Blue Zone side events programme

MONDAY 9 JUNE, 12:15-13:30

Event ID	Room	Organizers	Title of side event	One line description	Public contact email
ID 6	Room 1	UNCTAD, UNDP	Integrated Solutions for Sustainable Ocean Economies: Tough questions answered!	This event will interrogate the complex geopolitical, trade, financial and capacity challenges faced by countries undertaking the transition to a sustainable ocean economy; and offer recommendations.	david.vivaseugui@unctad.org
ID 7	Room 2	UNESCO, Government of Brazil, France, French Office for Biodiversity, Cabo Verde, Sweden, Philippines, Grenada, Portugal	Blue Education for a sustainable and resilient society	Scalable, replicable solutions to restore society's connection with the ocean and increase ocean literacy are fundamental to the achievement of all targets of SDG14.	f.santoro@unesco.org
ID 8	Room 3	High Seas Alliance, Government of Belgium, Chile, Costa Rica, European Union, France, Germany, Republic of Korea, Nigeria, The Maldives, Palau, Philippines, Seychelles, NRDC, Bloomberg Philanthropies Ocean Initiatives, IUCN	Celebrating High Seas Action: Accelerating the Race for Ratification & Ambitious Implementation of the BBNJ Agreement	Celebrating high-level political leadership for the UN High Seas Treaty, including new ratifications and initiatives that support its swift entry into force and effective implementation.	highlevel@highseasalliance.org
ID 9	Room 4	UN Office for Partnerships, World Meteorological Organization and United Nations Office for Disaster Risk Reduction	From Coast to Community: Building Resilience Through Early Warnings	This event highlights the vital role of local leaders in advancing early warning systems and coastal resilience as part of the UN's Early Warnings for All initiative.	sergie@un.org
ID 10	Room 5	UN Tourism (in partnership with UNEP), Ministry of Tourism Costa Rica, Ministry of Foreign Affairs, France, Permanent Mission of Barbados to the United Nations, Ministry of Tourism, Indonesia , Institute for Sustainable Development and International Relations (IDDRI)	Blue Tourism: Advancing Sustainable and Resilient Ocean Economies for People and Planet	The event explores how circular solutions and climate action can transform ocean tourism and enhance resilience by cutting pollution, reducing emissions, and protecting vital carbon sinks.	oneplanetstp@untourism.int

UNOC3 Blue Zone side events programme

MONDAY 9 JUNE, 14:00-15:15

Event ID	Room	Organizers	Title of side event	One line description	Public contact email
ID 11	Room 1	TBD	TBD	TBD	TBD
ID 12	Room 2	Government of Brazil, Ocean & Climate Platform, France, Chile, Fiji, Belgium, Friends of Ocean and Climate, UN High-level Climate Champions, Ocean Conservancy, WWF-Brazil, Greenpeace Brazil	Making Waves from Paris to Belém: Accelerating Ocean-Climate Action	Marking the 10th year of the Paris Agreement under the UNFCCC, the event reflects on the ocean-climate progress and explore ways to accelerate action, including through adequate means of implementation.	initiatives@ocean-climate.org
ID 13	Room 3	Saint Kitts and Nevis, Tuvalu, Fiji, Vanuatu, France, the Global Centre for Climate Mobility	Localizing Climate Finance for Coastal Communities	The Side Event is co-organized by Pacific and Caribbean SIDS, France, and the Global Centre for Climate Mobility on localizing climate finance for coastal communities.	Lonnberg@climatemobility.org
ID 14	Room 4	International Union for Conservation of Nature (IUCN), Blue Action Fund, Blue Marine Foundation, Chile, Costa Rica, Dona Bertarelli Philanthropy, Dominican Republic, Global Environment Facility, Oceano Azul Foundation, Panama, Sweden, UNEP, World Economic Forum, World Resource Institute, WWF	Accelerating Partnerships and Action for Effective and Equitable Ocean Protection: the ocean pathway to 30x30	Launch of the 30x30 Ocean Action Plan to drive bold, inclusive and impactful action and partnerships for ocean protection, with high-level panels and new commitments toward SDG 14,2 & KM GBF Target 3.	ocean@iucn.org
ID 65	Room 5	TETIAROA SOCIETY, Sylvia Earle, France, Polynésie française, Institut français de recherche pour l'exploitation de la mer (Ifremer), Institut de recherche pour le développement (IRD), Cluster maritime de Polynésie française, Ifreco French Polynesia Committee	The deep-sea ecosystems of French Polynesia: an area to explore and protect, a source of clean and sustainable energy	Presenting a sustainable model to address deep-sea mining risks, protect ecosystems, and develop scalable innovations through public-private-research synergy, with Polynesia as a marine science hub.	ihonorez@pbsc.pf

UNOC3 Blue Zone side events programme

MONDAY 9 JUNE, 15:45-17:00

Event ID	Room	Organizers	Title of side event	One line description	Public contact email
ID 16	Room 1	China Association for Science and Technology (CAST), CNRS, IFREMER, University of Tasmania (UTAS), Prince Albert II of Monaco Foundation/OACIS, World Resources Institute (WRI), IAEA Marine Environment Laboratories	Ocean-based carbon dioxide removal: approaches, risks, co-benefits, and governance	This side event highlights global collaborative research on ocean-based carbon dioxide removal (mCDR) and its relationship with the conservation and sustainable use of the ocean in line with SDG 14.	zhangcl@sustech.edu.cn
ID 17	Room 2	Cabo Verde Ministry of Finance and Planning, UNDP, the Global Environment Facility (GEF), UK, EU	Small Island Developing States for SDG14: Ministerial Roundtable on Ocean Action	Exploring major pathways needed to scale up ocean-positive solutions and empower SIDS towards SDG-14 achievement, in alignment with the ABAS.	renata.rubian@undp.org
ID 18	Room 3	Chile Ministry of Foreign Affairs of Chile, Development Bank of Latin America and the Caribbean (CAF), Republic of Korea Ministry of Oceans and Fisheries	BBNJ Agreement: an opportunity for Latin America and the Caribbean	The BBNJ Agreement will be an important opportunity for Latin America and the Caribbean, a region where the ocean plays an important role in the development of its countries.	svega@minrel.gob.cl
ID 19	Room 4	South African Permanent Mission to the UN in New York, South African Environmental Ocean Network, UNGC, Dept. Science, Technology & Innovation (South Africa), Dept. of Forestry, Fisheries & the Environment (South Africa), INPO (Brazil), IPOS, AfriSeas Solutions, IOI-SA, AAORIA, TBA-21	G20 Ocean 20: Progressing from Dialogue to Action - solving connected ocean crises towards and beyond 2030.	This side event will advance sustainable and inclusive ocean governance, blue economies and climate resilience through multi-stakeholder driven actions under the Ocean20 initiative of G20 2025.	ocean20sa@saeon.nrf.ac.za
ID 20	Room 5	State Secretariat in charge of Marine Fisheries Morocco, Dep't du développement durable, Office National des Hydrocarbures, Min de l'intérieur, Marine Royale, Agence Nationale des Ports, Min des affaires étrangères, Min des finances, Min du transport et de la logistique, min de l'eau, Fond't M6 envt, Academie maroc Ma	Africa's Blue Ambition for UNOC3: Morocco's Commitment to Regional Cooperation	Showcasing Africa's ocean ambition and Morocco's commitment to regional cooperation, blue economy, and SDG 14 through the Royal Atlantic Initiative.	yassine.elaroussi@gmail.com

UNOC3 Blue Zone side events programme

TUESDAY 10 JUNE, 10:30-11:45

Event ID	Room	Organizers	Title of side event	One line description	Public contact email
ID 31	Room 1	National Institute of Oceanography and Fisheries, Egypt, NIOF, Egypt FIO, China CAMC MHMC, Egypt Ocean-Climate Nexus and Coordination Amongst Decade Implementing Partners in P. R. China (DCC-OCC), East China Normal University, Ocean University of China, OceanPrediction Decade Collaborative Centre	Bridge Ocean Science and End-users through Toolkit	Increasing ocean-related scientific cooperation, knowledge, capacity building, marine technology and education to strengthen the science-policy interface for ocean health.	amr@niof-eg.com
ID 32	Room 2	TBD	TBD	TBD	TBD
ID 33	Room 3	Ministry of Foreign Affairs of Armenia, France	From mountains to oceans: preserving biodiversity across environmental boundaries for sustainable future	The aim of high-level event is to showcase nexus between the biodiversity preservations across interlinked environmental boundaries.	d.manukyan@mfa.am
ID 34	Room 4	Solomon Islands Government, UN Special envoy for ocean, Office of the Pacific ocean Commissioner, FFA, SPC, FAO	Advancing SDG14.4 – a call to action toward 2030 and beyond, building on the Honiara Summit.	A Call to Action Building on the Honiara Summit, this event drives global efforts to combat overfishing and IUU fishing, ensuring sustainable marine fisheries for 2030 and beyond.	Brian.Akwasia@mfaet.gov.sb
ID 35	Room 5	International Atomic Energy Agency (IAEA) , IAEA - Marine Environment Laboratories, Surfrider Foundation Europe, European Environment Agency, Mercator Ocean International, NORMAN Network, Environmental Investigation Agency, International Scientist's Coalition for an Effective Plastics Treaty, UNEP, Costa Rica	Combating Marine Pollution, including Plastics, Through Innovative International Action	This high-level event will demonstrate how ambitious global environmental policies, innovative technologies, international networks and capacity building can jointly lead to a zero-pollution ocean.	mel@iaea.org

TUESDAY 10 JUNE, 12:15-13:30

Event ID	Room	Organizers	Title of side event	One line description	Public contact email
ID 36	Room 1	Permanent Mission of the Republic of Kiribati to the United Nations, Peace Boat, Palau, Indian Ocean Commission, Chile, Fabien Cousteau OCL, KS Living Oceans Foundation, ORAI, PROTEUS, EarthEcho International, Blue Planet Alliance, Oceanic Global, CORDAP, Coral Vita, Reefline	Mobilizing Youth for Ocean and Climate Action: Harnessing Citizen Science and Capacity-Building	Global partnerships showcasing the power of youth representation to mobilize for Ocean action.	emilie@peaceboat-us.org
ID 37	Room 2	Gobierno de Costa Rica, Fundación Amigos de la Isla del Coco-Asociación Costa Rica por Siempre-Conservacion Internacional	Costa Rica: Consolidating 30x30 in its Jurisdictional Waters and Beyond	TBD	eugenia.arguedas@sinac.go.cr
ID 38	Room 3	Ministry of Foreign Affairs of Dominican Republic, Government of Dominican Republic, Guadeloupe Region, France, Development Bank of Latin America and the Caribbean (CAF), Regional Activity Center of the SPAW Protocol, UNEP, Secretariat of the Cartagena Convention, Secretariat of the Abidjan Convention	“Sargassum Crisis: Regional Cooperation and Response Towards New Opportunities”	This event seeks to ensure a common understanding, mobilize high-level political leadership, and define the next steps towards finding comprehensive solutions to the sargassum crisis.	ctaboada@mirex.gob.do
ID 39	Room 4	Thailand (Ministry of Natural Resources and Environment), UNESCO-IOC, including IOC/WESTPAC, France, Brazil, China, including China Oceanic Development Foundation, Togo, Fiji, European Commission, GIZ, GEF, World Bank	Unlocking the Blue Economy: Financing and Partnerships for Marine Spatial Planning Successful Implementation	Showcasing collective efforts to advance ecosystem-based and knowledge-based MSP at global, regional, and national levels through innovative financing, strategic partnerships and capacity development.	unoc3.bluezone39@gmail.com
ID 40	Room 5	TBD	TBD	TBD	TBD
