Senegal and United Arab Emirates: draft decision*

Themes of the interactive dialogues of the 2026 United Nations Water Conference to Accelerate the Implementation of Sustainable Development Goal 6: Ensure availability and sustainable management of water and sanitation for all

The General Assembly, recalling its resolution [78/327](#) of 6 September 2024, decides that the themes, in no particular order of priority, of the six interactive dialogues of the 2026 United Nations Water Conference to Accelerate the Implementation of Sustainable Development Goal 6: Ensure availability and sustainable management of water and sanitation for all, mandated in paragraph 6 of the resolution, will be:

- (a) Water for people: the human rights to water and sanitation, including for those in vulnerable situations, for healthy societies and economies;
- (b) Water for prosperity: valuing water, water-energy-food nexus, advancing integrated and sustainable water resource management, wastewater and water-use efficiency across sectors, and economic and social development;
- (c) Water for planet: climate, biodiversity, desertification, environment, source to sea, resilience and disaster risk reduction;
- (d) Water for cooperation: transboundary and international water cooperation, including scientific cooperation, and inclusive governance;
- (e) Water in multilateral processes: Sustainable Development Goal 6, the 2030 Agenda for Sustainable Development and beyond, and global water initiatives;
- (f) Investments for water: financing, technology and innovation, and capacity-building.

* In order for the General Assembly to take action on the present proposal, it will be necessary to decide to consider agenda item 18 directly in plenary meeting.
