The Forum will place a special emphasis on the Sustainable Development Goals (SDGs) that will be reviewed at the 2026 high-level political forum on sustainable development (HLPF), namely **Goal 6** (Clean Water and Sanitation), **Goal 7** (Affordable and Clean Energy), **Goal 9** (Industry, Innovation and Infrastructure), **Goal 11** (Sustainable Cities and Communities) and **Goal 17** (Partnerships for the Goals). In the margins of the 2026 ECOSOC Partnership Forum, a [limited number of side events](#) will be held either in-person (at UN Headquarters), at external venues arranged by the organizers, or in a virtual format.

Format

- The **opening, presentations by SDG Action Segment Rapporteurs, Panel on SDG 17, plenary session and closing**, which will be chaired by the President of ECOSOC, will be held in-person in the Trusteeship Council Chamber in the Conference Building, UNHQ in New York and will be broadcast live on [UN web TV](#).

During the plenary session, speakers from Member States, observers, UN entities and stakeholders will alternate taking the floor to outline their priorities and recommendations in support of the implementation of the 2030 Agenda for Sustainable Development as well as their experiences of, and recommendations for effective partnerships.

➤ **Member states, observers and UN entities:**

There will be no pre-established list of speakers for the plenary session (3:50 p.m. – 5:45 p.m.). In order to request the floor, delegations are requested to press the button on the console when the floor is opened by the presiding officer. Given the limited time available, interventions in the plenary session should be limited to 3 minutes or less. The time limit will be strictly implemented, including through the muting of microphones once the time limit is reached, as needed.

¹ “Transformative, equitable, innovative and coordinated actions for the 2030 Agenda for Sustainable Development and its Sustainable Development Goals for a sustainable future for all”.

Written copies of all statements delivered during the plenary sessions should be sent to estatements@un.org at least two hours in advance of delivery. The subject line of the email should clearly identify the date and time of the meeting at which the intervention will be delivered. Interpretation for statements not sent in advance may be impacted or suspended.

➤ **Non-governmental organizations and other stakeholders**

Time permitting, representatives from non-governmental organizations in consultative status with ECOSOC will be invited to make short interventions (no more than 2 minutes, maximum 300 words) during the plenary session.

NGOs in consultative status with ECOSOC were able to express their interest in making a statement through an open call circulated by UN DESA in early January. Considering the limited number of speaking slots, preference will be given to statements that are made on behalf of groups of organizations/constituencies/major groups. Only selected potential speakers will be contacted by the Secretariat.

- The Forum will include **four SDG Action Segments**, each dedicated to one of the Goals slated for review during the HLPF 2026, namely [Goal 6](#), [Goal 7](#), [Goal 9](#) and [Goal 11](#). The action segments will focus on scaling up concrete and innovative partnerships that drive SDG implementation while highlighting their crucial role in fostering tangible actions. The segments are organized by relevant UN entities and stakeholder groups.
- The Forum will also include a **dedicated Panel on SDG 17** with the theme “*Three Voices, One Partnership Journey: Demonstrating the Power of Shared Solutions*”, which will weave together three distinct voices in a shared journey of partnership, highlighting how collective ownership and demand-driven collaborations can unlock lasting results and new possibilities.
- **Side Events** will be held in person / and in virtual formats on the margins of the 2026 ECOSOC Partnership Forum throughout the day. Side events are organized by Member States, UN entities and stakeholders. A full list of side events and contact details will be available [here](#).

Interpretation

Interpretation in all six official United Nations languages will be available for the entire Forum meetings except the SDG Action Segments (10:50 a.m. – 1:00 p.m.) and side events.
