

Emailed received from WTO on 21 November 2016

Dear Colleagues,

This message is to inform you that the WTO's contributions to the background note being prepared by DESA for the UN Oceans Conference (deadline of last Friday 18 November), were made directly to IPWGs 4, 6 and 7. The WTO therefore did not submit a separate contribution.

Please feel free to contact me if you need any clarifications.

Best regards,

Clarisse Morgan
