

UN CSD - Major Group for Children and Youth

YOUTH UNEMPLOYMENT: GOING BEYOND JUST THOSE NOT IN EMPLOYMENT, EDUCATION AND TRAINING TOWARDS QUALITY JOBS

With Youth unemployment on the rise, with social protection struggling to cope and a youth bulge, the world needs to tackle in a holistic way Youth Employment and the rights for those young people in employment. This event brings together leaders in the field and those most effected young people to have a conversation with member states about how the sustainable development framework can make inroads into reducing youth unemployment and create decent employment for all.
