

# **Harnessing Climate & SDGs Synergies to Recover Better and Stronger from the Covid-19 Pandemic**

## **Webinar 2: Synergies for Just Transitions & Economic Recovery**

**Thursday, 11 June, 10:00 – 11:30 am (NY time)**

Join diverse thought leaders and practitioners to zero-in on the policies, trends and changes in behavior that give countries the chance to recover better and stronger from Covid-19. Speakers will exchange ideas for achieving “quick wins” for people & livelihoods, while laying the ground for climate & SDG co-benefits that accelerate just transitions to sustainable development.

This will be an interactive Webinar. All are encouraged to participate to share their perspectives and experiences!

**Register by 10 June:** <https://forms.gle/VJphyUuk6sAq9mt68>

We also invite you to share insights & initiatives via our on-line questionnaire:
