

**Division for Sustainable Development Goals, United Nations Department of Economic and Social Affairs**

**Terms of Reference for Consultant for Resource Library Designer**

**Background / Rationale**

The *2030 Agenda Partnership Accelerator*<sup>1</sup>, a collaborate initiative between United Nations Department of Economic and Social Affairs (UN DESA), UN Office for Partnership, UN Global Compact, and The Partnering Initiative, working closely with the Development Coordination office and the UN Resident Coordinators, aims to significantly accelerate and scale up effective partnerships in support of the 2030 Agenda for Sustainable Development in all countries, through capacity development and advisory services on effective multi-stakeholder partnerships and country driven partnership platforms for the implementation of the Sustainable Development Goals (SDGs).

The outputs from the project will form the 2030 Agenda Partnership Accelerator Resource Library - an online, openly accessible, library of learning modules, case studies on partnerships and platforms, curated case studies, and best practices around the design and implementation of partnerships for the SDGs. The Library will be based on recent research and findings of the Accelerator activities and be hosted on DESA's Partnership for SDGs online platform<sup>2</sup>.

The purpose of the consultancy is to develop design elements of the 2030 Agenda Partnership Accelerator Resource Library, in line with DSDG/DESA's web design.

**Work assignment**

- Developing design elements of the 2030 Agenda Partnership Accelerator Resource Library

**Deliverables/Expected Outputs**

1. Outline of design elements of the 2030 Agenda Partnership Accelerator Resource Library
2. Design elements of the 2030 Agenda Partnership Accelerator Resource Library, including its various modules, to be submitted as 1) Adobe Illustrator files and 2) HTML files and accompanying stylesheets, adapted to various screen sizes

### **Performance Indicators**

- Positive feedback on design;
- Timeliness and accuracy of deliverables.

### **Expected qualifications**

- Knowledge about graphic design, web, partnerships and means of implementation, and 2030 Agenda for Sustainable Development and its 17 Sustainable Development Goals, with a particular focus on health.

### **Education**

- An advanced university degree (Master's degree or equivalent degree) in communication, graphic design, or related field is required. A first-level university degree in similar fields in combination with two additional years of qualifying experience may be accepted in lieu of the advanced university degree.

### **Work Experience**

- A minimum of two (2) years of progressively responsible experience on communication, design, preferably in an international organization, is required. Previous work experience in an international organization or within the United Nations system (both at headquarters and in the field) is highly desirable. Experience in preparing graphic elements for publications is required.

### **Duration of Contract**

The contract will be for a total of 30 days during the period 8 June – 10 August 2020.

### **Duty Station and Travel**

The work will be done remotely.

### **Supervisor/Project Manager**

The consultant will work under the direct supervision of Mr. Ola Goransson, Sustainable Development Officer, Division for Sustainable Development Goals, UN Department of Economic and Social Affairs.

- Name: Mr. Ola Goransson
- Title: Sustainable Development Officer

- Office/Division: Outreach and Partnerships Branch, Division for Sustainable Development Goals, UN Department of Economic and Social Affairs.
- E-mail: [goranssono@un.org](mailto:goranssono@un.org)
