Distinguished Co-facilitators,

I would like to associate my remarks with the statement made by the distinguished Permanent Representative of the Republic of South Africa on behalf of the Group of 77 and China, the statement made by the distinguished Permanent Representative of Tanzania on behalf of the African Group, the statement made by the distinguished Permanent Representative of UAE on behalf of the Arab group.

Co-facilitators,

My delegation believes that with the regards to the issue of the inclusion of the OWG report and the MOIs. My delegation believes that we should incorporate the full report of the OWG in its entirety in chapter II.

With regards to chapter III, we believe that the outcome of the Addis Abba Conference should be referenced with an addition to Para 19 of the Addis Abba Action Agenda, followed by a section that details the goal specific MOIs and goal 17.

My delegation notes with respect the concerns raised by other delegations regarding the need to avoid duplication, but we don't share such concerns as we believe clarity is more important to our endeavor.

Thank you
