

# **A Platform for Partnerships - an informal briefing**

**Organized by the  
Permanent Mission of Germany to the United Nations  
and Division for Sustainable Development, UN-DESA**

# Relevant mandates related to partnerships in the 2030 Agenda for Sustainable Development:

- **SDG 17**, target 17.16. Enhance the global partnership for sustainable development, complemented by **multi-stakeholder partnerships that mobilize and share knowledge, expertise, technology and financial resources, to support the achievement of the sustainable development goals** in all countries, in particular developing countries
- **SDG 17**, target 17.17 Encourage and promote effective public, public-private and civil society **partnerships**, building on the experience and resourcing strategies of **partnerships**
- 84. The HLPF, under the auspices of ECOSOC, shall carry out regular reviews, in line with Resolution 67/290. Reviews will be voluntary, while encouraging reporting, and include developed and developing countries as well as relevant UN entities and other stakeholders, including civil society and the private sector. They shall be state-led, involving ministerial and other relevant high-level participants. They shall provide a **platform for partnerships**, including through the participation of major groups and other relevant stakeholders.
- 89. The HLPF will support participation in follow-up and review processes by the major groups and **other relevant stakeholders** in line with Resolution 67/290. We call on these actors to **report on their contribution** to the implementation of the Agenda.

# Partnerships for SDGs - History and mandate

- Launched after Rio+20 - paragraph 283, Future We Want
- *“283 [] We invite the Secretary-General to **compile these commitments and facilitate access to other registries that have compiled commitments, in an Internet-based registry.** The registry should make information about the commitments fully transparent and accessible to the public, and it should be periodically updated.”*
- Includes: Rio+20 commitments, SE4All,
- Every Woman Every child, SIDS Partnerships,
- Global Compact, SDGfund

# Partnerships for SDGs - History and mandate

- *Beta version* re-launched, in support of 2030 Agenda and the Sustainable Development Goals
- Over **1,800** registered partnerships, commitments, actions for sustainable development
- **15 Sep – 15 Nov 2015:** Online consultations, seeking inputs sought from all stakeholders. Results to guide next development stage.
  - Questions: What functionalities are requested? How can partners best report on progress without creating unnecessary reporting burden?
  - How can the various United Nations intergovernmental platforms best support the review process of multi-stakeholder partnerships and their impact on achieving the sustainable development goals?

# Partnerships for SDGs - History and mandate

- *Jan 2016: Full version launch – new functionalities*
- *March 2016: SDGs indicators integrated for more detailed reporting*
