

Initial target: Oromia Region

Meeting demand: the private sector

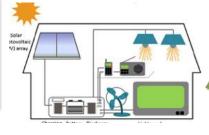

Fuel-saving stoves

Charcoal briquettes

PAYG Solar Home Systems

Fuel-saving stoves: high demand

Fuel-saving stoves: high demand

Oromia Region, hub for production

SEED Award 2015

RK Renew Energy PLC uses local resources to produce improved ceramic cook stoves. Women from rural and semi-urban areas are trained to build the ceramic stoves and to distribute and sell them in Ethiopian refugee camps.

RK Renew Energy PLC, Ethiopia

RK Renew Energy

CIC Award 2016

Fuel-saving stoves: target figures

	2016	2017	2018	2019	2020	Total
# FSS units planned	30,000	37,020	47,386	73,448	143,223	331,076
t/CO ₂ e reduction	36,833	45,452	58,179	90,177	175,845	406,485

Creating job opportunity for young women

Coffee in Ethiopia

- 400,000 ha
- 200,000 tons/year produced
- Major commodity (61%)
- Huge locally consumptn
- 100kg dried coffeecherries = 57kg residue

Coffee husks: discarded residue

Coffee husks: burned as waste

Coffee-husk briquetting

Final Product

Renew Fnergy Coffee-husk briquettes:

Mellevy Life gy Golfes Hash Singuettes.						
	target figures					
	Daily manuf. capacity (kg)	Revenue (ETB)	Revenue (USD)	Net profit (USD)		

	(kg)			
Year 1	696,960	4,181,760.00	199,131.43	59,739.43
Year 2	1,013,760	6,082,560.00	289,645.71	86,893.71
Year 3	1,584,000	9,504,000.00	452,571.43	135,771.43

Investment needed: \$150,000

Needless compromises

- money, time, health

and Education

Ethiopia:

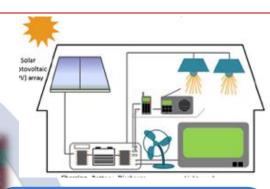

- Over 15 million off-grid households(6 million HH Oromia region)
- Spend over \$8 per month(0.3-0.5\$cents/day) on kerosene and mobile-phone charging, traveling an average of 3km every two or three days.
- A solar system worth \$50 \$200 is the ideal solution, but up front costs are prohibitively high.
- RK Renew provides SHS= \$0.40 cents per day

Solar-home systems, for \$0.40 cents

Save and pay 30% upfront

The customer can still save and buy other energy products because the saving habit is there

Takes a complete solar system

mobile money

ምባይል ብር

> one year the customer owns the product with additional 2 years warranty

The customer pays of >40\$ cent per day for max one year
