Multi-stakeholder Partnership Milestone

PARTISIPASI BERSAMA

- Perhimpunan Filantropi Indonesia (PFI)
- Indonesia Global Compact Network (IGCN)
- Indonesia Business Council for Sustainable Development (IBCSD)
- Kamar Dagang dan Industri Indonesia (KADIN)

- On March 2016 Filantropi Indonesia in partnership with the UN Global Compact Indonesia, the Indonesia Business Council for Sustainable Development and the Indonesia Chamber of Commerce initiated the Philanthropy & Business Communication Forum *SDGs for a better Indonesia*
- This Forum proactively initiated discussions with **Ministry of National Development Planning (BAPPENAS)** and **SDG National Secretariat** about lessons learned on MDGs and how philanthropy and business can contribute to the achievements of SDGs.

Challenges for collaboration identified

- **Presidential Decree in Indonesia**
- **International partnership restrictions**
- **Tax incentive regulation**
- **Changing shape of global financial flows:
philanthropy brings strengths but should not be
seen as a gap filler for Official Development
Assistance**
- **Differences in practices and norms of Development
agencies and philanthropy**
