Co-facilitators,

I have the honor to speak on behalf of the Pacific Islands Forum. I would first like to congratulate you on assuming the important role of facilitating our discussions on the selection of themes for the seven Partnership Dialogues and on the elements for the "Call to Action". We pledge our full support to you. We fully support the upcoming Conference and look forward to the broadest possible participation by all relevant stakeholders. Only together can we fully achieve SDG14 and we see merit in a cycle of triennial Conferences to maintain momentum.

On the seven proposed themes, we are mindful that they should be agreed at the earliest possibility to allow the Secretariat to prepare the various concept papers in support of our discussions. Our group thinks that the seven themes are well crafted and relevant to the 10 targets under SDG 14. Furthermore, they provide a good way to discuss partnerships that are targeted to support the implementation of SDG 14. As a result, we are supportive of the themes as proposed.

I thank you.
