PRIORITIES**

The Secretariat of Planning must help define the Government's General Policy: a four-year policy instrument to guide planning and budgets.

This required an alignment of the government's plan and the long term development agenda.

ARTICULATING SHORT TERM AND LONG TERM GOALS

SDG 2:

2.3 By 2030, double the agricultural productivity and incomes of small-scale food producers, including through secure and equal access to land, other productive resources and inputs, knowledge, financial services, markets and opportunities for value addition and non-farm employment

Government's General Policy

In 2023, the amount of financing for agricultural insurance for small producers will be increased to GTQ 35,000,000

PLANID

We will invest in an agricultural insurance scheme for small producers.
